This Certificate is confirmation that the above products conform to the essential recommendations of SON approved standards. It does not verify the actual quantity shipped and any information presented with respect to quantity and description are drawn directly from the exporter's final invoice and/or packing list. It is the sole responsibility of the exporter to ensure that the products shipped are in accordance with their SON Product Certificate and contractual obligations to the buyer. The issuer's responsibility and liability are limited to the terms and conditions of its agreement with its client and it assumes no liability to any other party for losses, expenses and damages occasioned by the use of this certificate. This document is issued under the authority of the SONCAP for and on behalf of the Standards Organisation of Nigeria (SON). It does not relieve the seller and buyer from their obligations to each other or from compliance to any regulations concerning the import of goods in Nigeria.
